

## **MEMBERSHIP COVENANT**

**God has called His people to covenant--first with Himself and then with one another. As members of the body of Christ, at New Hope Church we covenant to:**

**Worship:**

We will make worship a central part of our lives by regularly attending church services, developing personal spiritual practices that connect us to God, and committing to a life of integrity.

**Community:**

We are committed to community by pursuing unity as a church and growing through small groups, ministry teams, and spiritual friendships.

**Serving:**

We will be servants and use our unique gifts to serve our church and community as a response to the grace and mercy we have received from God.

**Generosity:**

We will be generous with our time and resources by giving faithfully to the church and by meeting the needs of others.

**Mission:**

We will take the message and love of Jesus to our community and to the world.

**I agree with the Membership Covenant of New Hope Church and desire with God's help to live out the covenant as a part of the New Hope family.**
